Gentlemen:-

I am writing to inquire if you can give me any information as to the whereabouts of Sandford S. English, formerly a student at the above University and who was stationed at Salonica Greece on active service with the British Forces.

my letter to him written April 30, 1917 was returned marked "Not There."

As I am anxious to get in communication with this party again, would appreciate any information you could give me regarding him.

Respectfully yours,

(Miss) Mildred Bernhold

Miss Mildred Bernhold,

Chicago, Ill.

Dear Miss Bernhold:

I have made inquiries from our Registrar who has a list of the students of the University on active service and there is no trace of Sandford S. English. If he was with No. 4 Canadian General Hospital (University of Toronto) which was stationed at Salonica, I may say that the Hospital is at present located at Basingstoke, Kent, England.

Yours sincerely,

President's Secretary.
